

Pinfold Guest House
Dewsbury Road
Elland
01422 372 645
www.pinfoldguesthouse.co.uk

Five minutes away from The Yorkshire Radio Control Model Car Racing Club racetrack in West vale near Elland, Pinfold Guest House offers a warm welcome and comfortable accommodation. All of our eight guest rooms are en suite and equipped with Free View digital TV. We have a large, private car park to the rear of the building. There is a friendly pub offering evening meals a short walk from the guesthouse. For the last four years we have welcomed visitors who are competing at the racetrack and look forward to welcoming you too! Single rooms £32.00 per night, twin or double rooms £50.00per night – all prices are inclusive of breakfast and if you are leaving early we will happily pack up some bacon sandwiches for you to take away!

Hi Drivers,

We are now into the new season and what a turn out there has been for the last couple of club days. The last one been the first of the seven making up the summer series. I would like to thank Bev, Muriel, Denise, John and Stuart for managing to get through this meeting as with a crashed computer the lap counting had to be undertaken manually. In the main the meeting once under way went very smoothly with the addition of a couple of extra new classes, the new electric sport class won by Steven Hale, the other been the rally game class won by Jeff Walton. See elsewhere on the website for results of this meeting.

The indoor winter series sees its last fortnightly meeting this weekend and I for one am happy to see it been kept alive through the summer with a monthly meet, I think everyone who has taken part in any of the classes (quite a few trying to run more than one class) has thoroughly enjoyed the challenge, its nice to see new faces taking up the sport. Also at the indoor meetings the faster driver did an excellent job of not only avoiding the novices but also providing advice and encouragement to them. This attitude would be a welcome change in some of the i.c. Classes outdoors everyone needs to start sometime, and unlike national events where abilities are taken into account through the qualifying heats been structured in "handicap" type order club days do not offer this luxury due to the amount of classes run, so a bit more patience from the better drivers would go a long way towards encouraging new drivers rather than putting them off. One last thing before I sign off to help with the organising of meetings:-

Can all members book in on line for club meetings

Cheers Mark.

I have received some details of the Open day that the club is running on the 25th May.

The main circuit will be in use as on a normal club day. This will demonstrate the variety of classes that the club runs as a rule.

We will also have an oval circuit running up by the club house, this is to be used by visitors as a pay and play, and will run Mardave hotrods.

Raffle tickets will be sold on the day as well, with proceeds from the oval track and raffle going to the Carole Palmer Trust.

This is in recognition of the work carried out on the clubhouse with monies donated from the trust. It is the clubs way of putting something back into the trust so that others may benefit from the work done by them.

Posters will be on site over the preceding weekend advertising the Open Day and David Dransfield will get in touch with the Courier to promote the event.

It should be a good day out for all, hopefully some good racing, possibly some new faces wanting to take up the sport and all this whilst with some luck adding to the funds of a very good cause.

**PLEASE NOTE THE GATE CODE WILL BE
CHANGING ON THE 1ST MAY AND WILL BE
XXXX**

Here are the dates for the electric indoor meetings that will continue over the summer are:-

May 9 and 30, June 28, July 25, August 22, September 19.

The club has also planned to run a series of

Wednesday evening meetings over the summer, these are to be run on:-

May 6 and 20, June 3 and 17, July 1, 15 and 29 running between 6pm and 8pm.

The classes to be run are Electric and nitro 200 mm and the new 1/10 outlaw class (up to 235mm).

Planned primarily as a beginners/ pullstart evening but all drivers welcome in any of the classes running. Best 4 results to count from a possible 7.

Forthcoming events:

April 18, indoor electric meeting.

April 19, Wombwell Large Scale.

April 26. 1/10 IC truck, rubber and 235mm.

May 4, club summer series round 2.

May 6, Wednesday evening meet round 1.

May 9, indoor electric meeting.
